

# Junction Campaign Stepped Up

Essex County Council have now submitted their planning application for a new Waste Resource Management Centre at Hoblongs. But the application makes no mention of any improvements to the road junction.

Cllr Gower says "A new civic amenity site for Dunmow is long overdue, but unless the proposals include a revised road junction it should not be allowed to go ahead. Essex County Council also needs to address the concerns of the residents living at Hoblongs, whose lives will be blighted by the development."

Cllr Clive Smith says "Improvements to the junction were supposed to have been made before the Travelodge and the new police station were opened. Whether the waste facility gets the go-ahead or not, we need a roundabout at the junction to ease congestion."

**Clive Smith and Emily Gower are urging people to write to Uttlesford District Council with their views on the planning application. Write to Uttlesford District Council, London Road, Saffron Walden CB11 4ER, quoting reference UTT/0924/07/CC. Please also e-mail your comments on the Hoblongs junction and the new waste management centre to your local Lib Dem team using the e-mail addresses below.**

## Thank You

Thank you to everyone who voted for the Liberal Democrats at the May elections. Lib Dems Emily Gower and Clive Smith were elected to serve as your district councillors for the next four years.

Unfortunately we didn't keep control of Uttlesford District Council, but we continue to be the only real alternative to the Conservatives in this area. Labour and the Greens continue to have no councillors in this area.

The Lib Dems will continue to keep in touch with you and work hard all year round - whether you voted for us or not. The Lib Dems will continue to oppose Airport expansion. We will campaign for even higher levels of recycling and we will continue to oppose fortnightly collections of kitchen waste.

## Dunmow Health Services Under Pressure

Dunmow Liberal Democrats are calling on the local Primary Care Trust to provide a new doctor's surgery in either Dunmow or one of the surrounding villages.

Dunmow's surgeries are struggling to cope with the growing number of patients, as a result of the new developments in and around the town.

"Both surgeries do a tremendous job for Dunmow,"

said Lib Dem Cllr Emily Gower. "But the growing local population means that it is becoming more and more difficult to get an appointment. A new surgery, which could be in Dunmow, or the new development at Oakwood Park, would help ease the pressure."

If you have any views on our campaign for a new surgery, please e-mail or write to your local Liberal Democrat team.

# Save our NHS

TEN YEARS after Labour came to power, Britain is facing the worst round of NHS cuts seen since the last Conservative Government.

Services are under threat across Britain including many hospitals, A&E and maternity services.

Cuts are also being made to training budgets for key medical staff undermining the future of the NHS.

Ming Campbell's Liberal Democrats are leading the charge to protect our NHS.

Cllr Peter Wilcock, Leader of Uttlesford Lib Dems said, "Nothing is more important than people's health. These brutal cuts are bad news for everyone. No wonder more and more people are turning away from Gordon Brown and Tony Blair's Government."

## Leading the campaign

Up and down the country, local Lib Dem campaigners are working alongside local people to save local health services.

Cllr Wilcock said, "We want better health services, not more cuts! The Lib Dems will stand alongside local people in the battle to protect our vital NHS services."

The Liberal Democrats want an immediate halt to the current round of NHS cuts. They are campaigning to cut waste in the NHS so more money can be spent on frontline services.

If you back the Liberal Democrat campaign, please sign and return the petition below.

**Gordon Brown has signed the cheques to pay for Labour's expensive war in Iraq. But he can't find the money to stop savage NHS cuts here in Britain.**

## What 'Dave' doesn't want you to know

The Conservatives have consistently **OPPOSED** extra spending on local health services.

David Cameron worked for the last Conservative Government that slashed health services.

Recent Conservative plans for the NHS have included charging for many operations.

Today's Conservatives have no ideas on how to run our NHS - but they'll say anything to get local people to forget about their dreadful record on health.
