Newport Surgery Dispensary Under Threat

● Liberal Democrat councillors Peter Wilcock and Andrew Yarwood are campaigning to save the dispensary at Newport Surgery.

You may be aware that an application for a pharmacy in Newport has been approved by the local NHS Primary Care Trust. We are aware that there has been poor consultation on this issue and this is not right. As chairman of the parish council, Andrew Yarwood objected to the application, with the support of district council colleague Peter Wilcock.

The Liberal Democrats are fighting to preserve the quality of life in our communities and believe that the services currently available at the Doctors' Surgery in Frambury Lane could be threatened by the new application.

Consultation

There needs to be a proper consultation on any issue of this magnitude so that all people have a proper say in the provision of village services.

A Parish Meeting will be held on 12th November at 7.30pm in the Grammar School to discuss issues including the pharmacy. The meeting is open to all residents of the village and is your chance to have your say about what facilities you think that Newport needs. Please come along and make your voice heard.

Newport Parish Meeting
7.30pm
Newport Free Grammar School

Please come along and make your views known about the pharmacy application and what facilities you would like to see in our village. All residents of Newport are welcome to attend.

Keeping in touch all year round

Speeding Traffic in our Villages

Cllr Peter Wilcock together with the Parish Councils have agreed with Essex Police to start Community Speedwatch shortly in our villages.

Community Speedwatch involves the Police training volunteers to monitor the speed of vehicles through the villages, and report any vehicles who exceed the police guidelines to the police who will then write to the driver. The volunteers have no power to prosecute the drivers, but if the same driver repeatedly breaks the limits, then the police will attend and try to catch the vehicle and prosecute the driver.

- If any more volunteers wish to put their name forward, they can contact Cllr Peter Wilcock who is co-ordinating the training with the Police.

- Local residents will soon be able to participate in Essex Police Force's Community Speedwatch scheme.

How Green are the Tories?

Here's what a local newspaper says:

'... Mr Cameron has stepped back from a "significant moratorium" on all [airport] expansion and shelved other key environmental recommendations from the Quality of Life group ...'
