1. COMMUNITY PROJECTS

The developers of Foresthall Park have provided over £1 million to the district council, with more to come in the next few years. Some of this money has to be spent on projects linked to Foresthall Park and its residents.

We want to know what you think this money should be spent on. Please tick all boxes with which you agree:

- A new parish council office at Crafton Green, Chapel Hill that would include a library and a contact point for other public services.
- Enhancements to the future St Mary's school near Walson Way so it is fit for purpose for future community activities as Foresthall Park grows
- Replacement of play equipment at Stansted's various play areas.
- Speed controls, pedestrian crossings and safer pavements for danger spots in Stansted,
- Parking improvements or road widening for some of Stansted's narrow roads to ensure buses and other vehicles can get along the roads more easily and safely.
- Improvements to Tot Lane between Forest Hall Road and Birchanger Lane so that cars can pass.
- Improvements to the parish church, village hall and social club in Birchanger.
- Improvements to the parish church, church hall and cricket club facilities in Stansted.
- More support for small children and families at the Spangles Children's Centre in Lower Street.
- A swimming pool at the Romeera Leisure Centre.
- Other (please specify).....

- Help to fund relatively small, low-cost housing developments
